On the First and Third Saturday's

Hummingbird Slideshow/Happy Hour

Thursday, June 16, at 3:00PM
in Town Hall
Geanie Flanigan will present her photography of the hummingbird mama & babies in the courtyard
The photography is awesome!
A must see!

This attraction is a lot of walking and not handicap friendly.

The Oregon Vortex is a glimpse of a strange world where the improbable is the commonplace and everyday physical facts are reversed. It is an area of naturally occurring visual and perceptual phenomena, which can be captured on film. No matter your education or profession you will find a challenge to all your accepted theories.
